The James Halliday Australian Chardonnay & Cabernet Challenge is a collaboration between the Margaret River Wine Association and Wine Yarra Valley. Judging will take place in each region in alternate years. Margaret River was the host region in 2022.

Margaret River Wine Association (MRWA)

The MRWA is the peak body for Margaret River grape growers and winemakers. It was established in the late 1970's as the Margaret River Grape Growers & Winemakers Association and was incorporated in 1982.

It is an independent, non-profit organisation, financed by its members and additional funding sourced from corporate members, sponsorship and grants. MRWA has more than 190 industry members and 50 associated Grape Grower and Commercial members.

Yarra Valley Wine Growers Association

The Yarra Valley Wine Growers Association is an independent not-for-profit membership-based industry association. We provide leadership and direction for the continuing development of the Yarra Valley brand locally, nationally and internationally, support in continuous improvement in grape and wine quality and the ongoing development of wine style, and advocacy and representation of the interests of all our members and the wine region to industry, government and community bodies.

The YVWGA is a platform for members to work together to achieve greater outcomes than they could individually.
